**RANIN INTERNATIONAL COMPANY**

## **RANIN INTERNATIONAL COMPANY**

INDUSTRIAL & CONSTRUCTION SOLUTIONS WITH EXCELLENCE

## COMPANY OVERVIEW

Ranin International Company is a leading industrial and construction services provider operating in Saudi Arabia since 2010. Over the past decade, we have established ourselves as a trusted partner for industrial, commercial, and infrastructure projects by consistently delivering high-quality services tailored to the unique needs of our clients.

We specialize in manpower supply, materials provision, operations and maintenance, fabrication, surface treatment, and printing services, enabling us to support projects from inception to completion. Our approach is built on professionalism, reliability, and a commitment to excellence, which has helped us earn the trust of leading organizations across the Kingdom.

At Ranin International, we understand that the success of any project depends on both skilled manpower and robust operational systems. We take pride in our ability to deploy trained personnel, innovative processes, and the right equipment, ensuring that every project we undertake meets or exceeds client expectations.

We are also deeply committed to the safety and well-being of our staff and clients, following all regulatory and industry standards. Our operations are aligned with Saudi Arabia's Vision 2030, reflecting our commitment to supporting economic growth, sustainable development, and infrastructure modernization in the Kingdom.

## MISSION

Our mission is to provide safe, sustainable, and high-quality industrial and construction services that empower our clients to achieve their goals efficiently. We aim to deliver comprehensive solutions using highly skilled manpower, state-of-the-art equipment, and proven operational systems, while maintaining the highest standards of professionalism, integrity, and ethical conduct.

## VISION

Our vision is to be recognized as a leading industrial and construction services provider in Saudi Arabia and the region, known for our commitment to quality, reliability, and innovation. We aspire to build long-term partnerships with clients, employees, and stakeholders, while promoting a culture of excellence and sustainability in every aspect of our operations.

# OUR SERVICES

Ranin International Company provides a comprehensive range of industrial and construction services designed to support projects across various sectors in Saudi Arabia. With extensive industry experience, we deliver reliable, safe, and high-quality solutions that meet the operational and technical requirements of our clients.

Our service portfolio is structured to cover critical project needs, including skilled manpower deployment, materials supply, operations and maintenance, fabrication, surface treatment, and specialized printing services. Each service is executed by qualified professionals using proven processes, modern equipment, and strict compliance with Saudi regulations and international standards.

We adopt a flexible and client-focused approach, ensuring that our services are scalable and tailored to project-specific requirements. The following pages present detailed information on each of our core services, outlining our capabilities and commitment to excellence

# INDUSTRIAL & CONSTRUCTION MANPOWER SERVICES

Ranin International Company provides expert industrial and construction manpower solutions across Saudi Arabia, delivering skilled, certified, and safety-conscious personnel for large-scale projects. We offer flexible, fully compliant staffing—from individual placements to full team mobilization—ensuring project efficiency and professional performance that meets both Saudi labor regulations and international standards.

## Piping & Structural

- Piping Supervisor
- Piping Foreman
- Pipe Fabricator
- Pipe Fitter
- Grinder Man
- Hydro Test Foreman
- Line Checker
- Structural Supervisor
- Structural Foreman
- Structural Fabricator
- Structural Fitter
- Steel Erector
- Iron Worker Foreman
- Iron Worker

## Electrical, Instrumentation & Operations

- Industrial Electrician
- Electrical Technician
- HVAC Technician
- Electrical Foreman
- Electrical Supervisor
- QA/QC Electrical Inspectors & Supervisors
- Instrument Fitter
- Conduit & Cable Tray Fitter
- Cable Terminator
- Loop Checker
- Instrument Technician
- Instrument Foreman
- Instrument Supervisor
- QA/QC Instrument Inspectors & Supervisors
- Forklift Operator
- Manlift Operator
- Boom Truck Operator
- Crane Operator

## Quality Control & Safety

- Safety Supervisor
- Safety Inspector, Safety Officer
- Environmental Coordinator
- QA/QC Supervisor
- QA/QC Inspectors (Mechanical, Structural, Scaffolding, Welding, Painting & Coating, RTFR, RTR)
- Mechanical Engineer (Static)
- Structural Engineer
- Scaffolding Supervisor

## Tank, Vessel & Welding

- Tank Supervisor
- Tank Foreman
- Tank Fabricator
- Tank Fitter
- Vessel Fabricator
- Fire Watch
- Hole Watch
- Welders (3G, 6G, 6GR, FCAW, SAW, MIG CO<sub>2</sub>, Alloy, Inconel, Multi CS, Multi SS)
- Welding Foreman
- Welding Supervisor
- NDT Coordinator

## Mechanical & GRE

- Mechanical Supervisor
- Mechanical Foreman
- Millwright Foreman
- Millwright
- Mechanical Technician
- Mechanical Fitter
- Mechanical Helper
- RTR Supervisor
- GRE Laminator Foreman
- Pipe Laminator (RTR)

## Rigging, Civil & Scaffolding

- Riggers (Level I, II, III)
- Rigging Foreman
- Rigging Supervisor
- Civil Supervisor
- Civil Foreman
- Steel Fixer
- Carpenter
- Flagman
- Scaffolding Inspector
- Scaffolding Supervisor
- Scaffold Foreman
- Scaffolder

## Office & Site Support

- Administrator
- AutoCAD Operator
- Computer Operator
- Light Duty Driver
- Permit Receiver
- Material Controller
- Document Controller
- Store Keeper

## Painting & Surface Protection

- Painting Supervisor
- Painting Foreman
- Spray Painter
- Sand Blaster
- Roller Painter

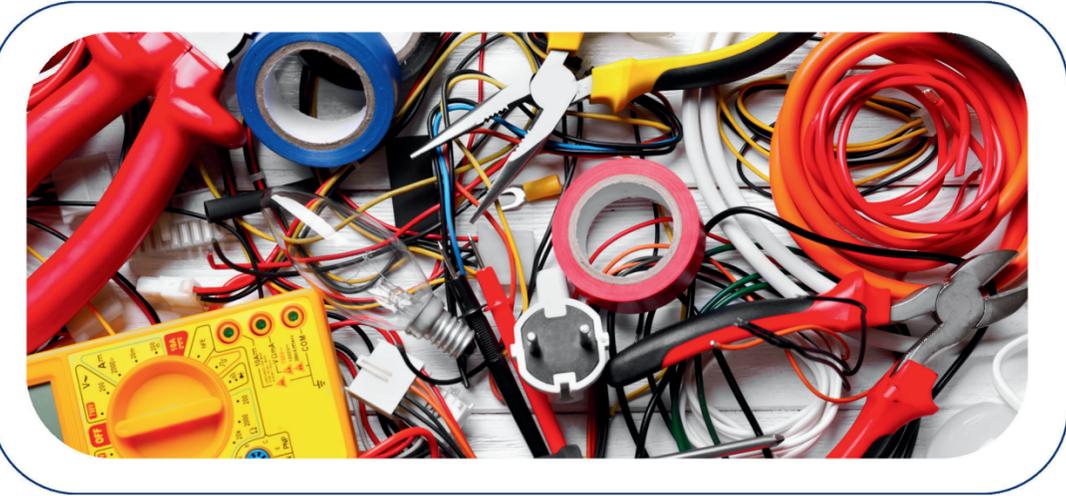

# INDUSTRIES & CONSTRUCTION

## MATERIALS SUPPLY

We supply quality-assured industrial and construction materials for electrical, mechanical, and infrastructure projects of all sizes. Our portfolio covers electrical systems, SS & CS piping materials, power tools, and safety equipment, ensuring reliable performance, compliance with industry standards, and timely delivery. With a strong focus on consistency, quality control, and dependable logistics, we support contractors and industrial clients in achieving smooth execution and on-time project completion.

- Electrical: Cables, wires, panels, switchgear, lighting, conduits, cable trays & accessories
- Mechanical (SS & CS): Pipes, fittings, flanges, valves, fasteners
- Power Tools: Electric tools, hand tools, welding & cutting equipment
- Piping Systems: PVC, HDPE, GI pipes & fittings
- Safety (PPE): Helmets, safety shoes, gloves, protective wear, site safety items

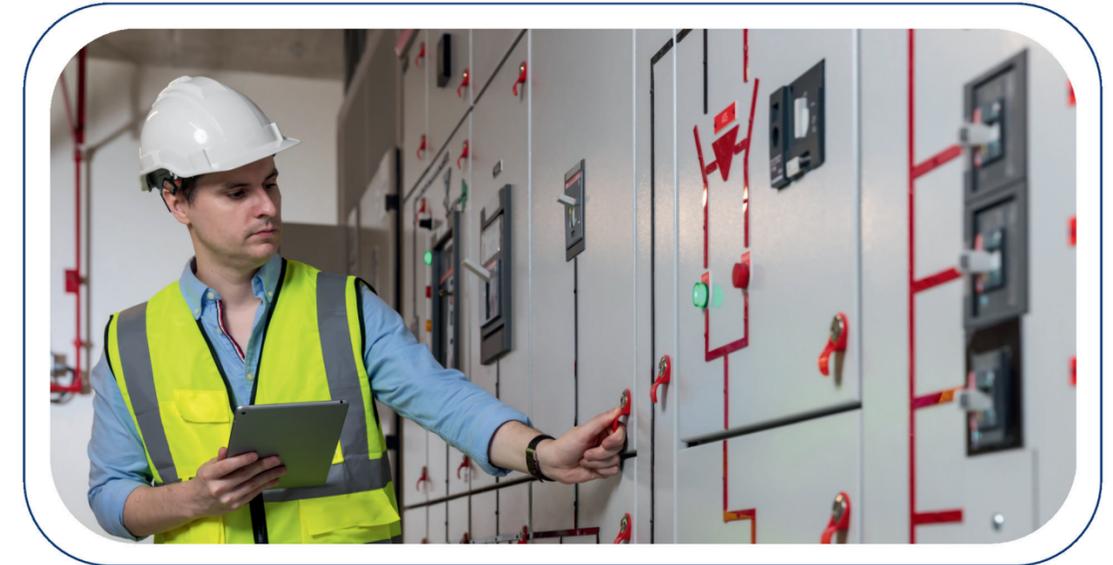

# OPERATION & MAINTENANCE

**Ranin International Industrial Services delivers reliable Operation & Maintenance (O&M) solutions for industrial, commercial, and infrastructure facilities across the Kingdom of Saudi Arabia. Our services are designed to ensure safe, efficient, and continuous operation of assets, in compliance with client specifications, international standards, and regulatory requirements.**

We provide turnkey O&M services, including preventive and corrective maintenance, aimed at minimizing downtime, optimizing asset performance, and extending equipment lifecycle. Maintenance activities are executed in accordance with approved procedures and OEM recommendations.

Our scope covers mechanical, electrical, HVAC, firefighting, and fire alarm systems, generators, civil works, and building services, managed under an integrated operational framework. Supported by experienced engineers and certified technicians, we ensure effective supervision, timely response, and consistent service quality.

Ranin places strong emphasis on HSE compliance, operational reliability, and continuous improvement, establishing us as a trusted Operation & Maintenance partner for long-term facility support.

# FABRICATION WORK

We provide comprehensive fabrication services using modern machinery, certified welding procedures, and skilled manpower to deliver high-quality fabrication solutions in compliance with approved drawings, project specifications, and international standards.

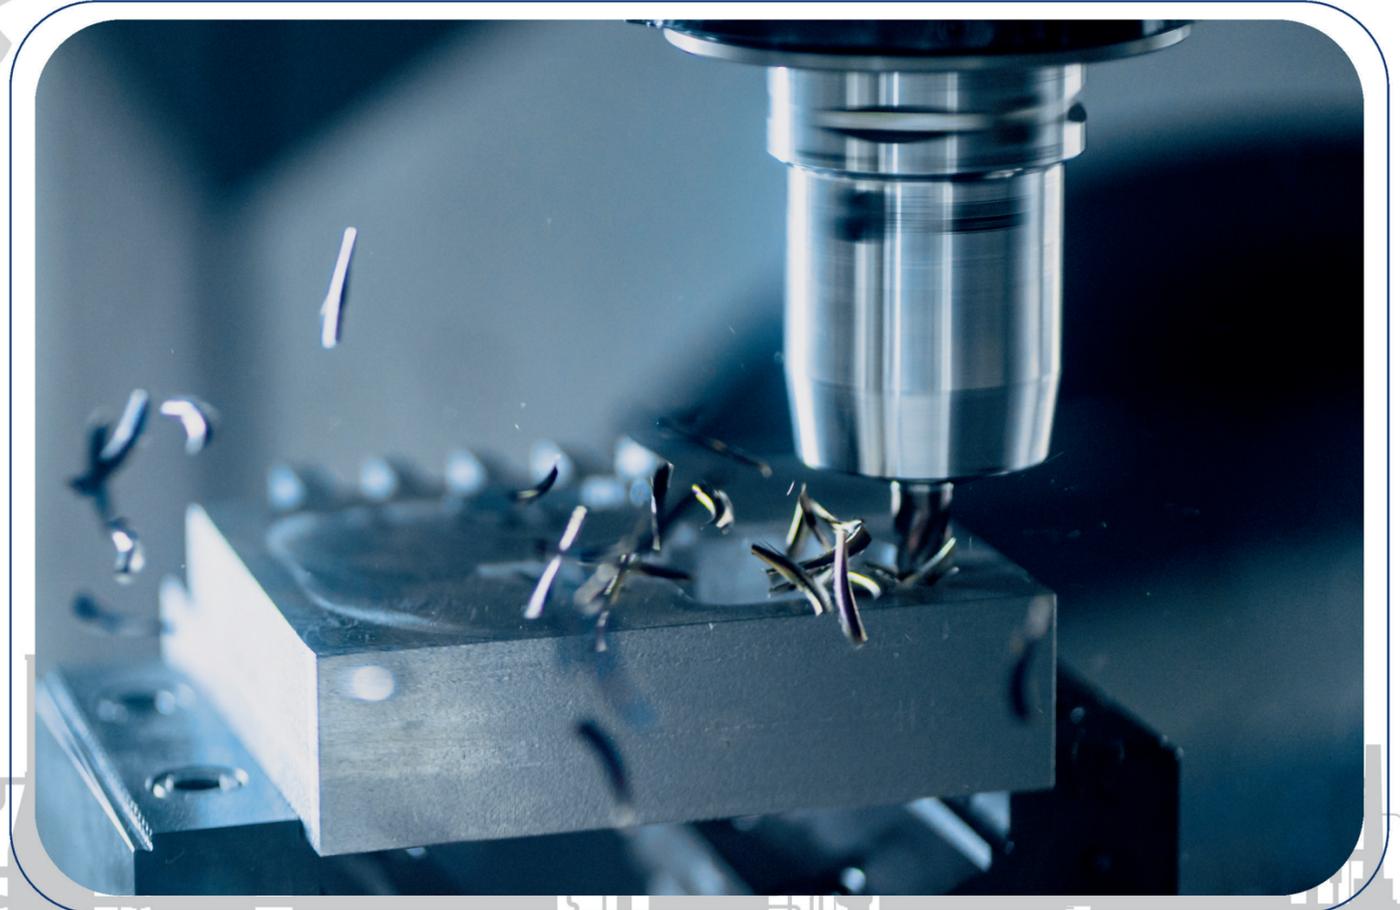

**Structural steel** fabrication for industrial and commercial applications.

**Piping fabrication**, including cutting, fit-up, welding, and spool assembly.

**Housing fabrication** for equipment enclosures, shelters, and protective structures.

Execution by qualified personnel with approved procedures.

Continuous quality control and dimensional inspection.

# SANDBLASTING, PAINTING & GALVANIZING WORK

Our finishing services are designed to enhance surface quality, durability, and corrosion resistance of fabricated components, ensuring long-term performance in demanding environments.

- **Sand Blasting** for proper surface preparation and cleaning.
- **Galvanizing** services Hot-Dip for effective corrosion protection.
- **Painting services** as per approved coating specifications and client requirements
- Surface inspection and quality assurance at all stages.
- Compliance with relevant international and project standards.

# PRINTING PRESS SERVICES

Ranin International Industrial Services provides professional printing solutions designed to meet the diverse requirements of commercial, industrial, and institutional clients across the Kingdom. Our printing operations deliver high-quality, precise, and reliable outputs, ensuring that all materials—from technical documents to promotional items—adhere to client specifications and international standards. With a focus on accuracy, efficiency, and operational reliability, our services support both documentation and corporate communication needs for industrial and commercial applications.

- Technical Drawings & Engineering Schematics: Precision printing of blueprints, schematics, and operational manuals.
- Reports & Manuals: Production of high-quality operational, safety, and training documents.
- Brochures & Marketing Materials: Professional printing for corporate communication and promotional requirements.
- Digital & Offset Printing: Flexible solutions for both large-scale and small-batch production with consistent quality.
- Finishing & Binding Services: Laminating, binding, cutting, and folding for durability and professional presentation.
- Quality Control & Inspection: Proofing, inspection, and verification at every stage to ensure compliance with specifications and standards.
- Confidentiality & Timely Delivery: Secure handling of sensitive materials and adherence to project deadlines.

# CLIENTELE & MAJOR PROJECTS

Ranin Company has established a strong reputation in delivering high-quality solutions across diverse industrial and commercial sectors in Saudi Arabia. Our commitment to excellence, adherence to international standards, and alignment with client requirements have enabled us to work with leading organizations, including government entities, multinational corporations, and top-tier industrial companies.
